
**TOWN OF DURHAM, MAINE
FIRE RESCUE CHIEF**

The Town of Durham is seeking a Full-Time Fire/Rescue Chief.

The Fire/Rescue Chief oversees management of, planning, organizing, directing, and implementing firefighting, fire prevention, emergency medical activities, and emergency management activities of the Durham Fire and Rescue Service to prevent or minimize the loss of life and property by fire, and other emergency situations, as required. Holds position of Emergency Management Director: Coordinates the development of the municipal emergency management program that seeks to mitigate the effects of emergency hazards, prepares measures that will preserve life and minimize damage, coordinates responsibilities and provides necessary assistance during emergencies, and establishes a recovery system to return the municipality to a pre-emergency state following a major emergency.

The successful candidate must have an associate's degree in a related discipline, EMT Basic or advance license with 3 years' experience, or an equivalent combination of experience, training, and education.

In addition, the successful candidate must be able to respond within a reasonable time frame, get along with others in a professional manner and maintain excellent communication fostering a collaborative working environment with all departments as well as the public. For a full job description, please view on the Town of Durham, Maine website.

Town of Durham offers an excellent pay and benefit package. This is a salary exempt position and the annual salary range is from \$74,880 to \$98,529.
