

# **PAY-AS-YOU-THROW (PAYT)**

## **DOES NOT ADD A COST**

It changes how the existing cost is paid

## **TODAY**

Most trash cost paid through property taxes

Everyone pays about the same

## **UNDER PAYT**

Less cost on taxes

Pay based on usage

Smaller households pay less

About 30% less trash overall

## **WHY THIS MATTERS**

Slows future tax increases

Fairer system

Works like electricity or fuel bills

## **SAME SERVICE**

Different way of paying for it
